

## Alpha's Long Range Plan

ACCH is planning for a phased expansion of its ministry. The full plan calls for three (3) fully staffed residential houses plus one (1) fully staffed relief house. This model will support up to 26 children on campus. Additional staff will be needed for school and program support, as well as planned upgrades to the Multi-purpose Building and general campus infrastructure.

## Phase One Funding Plan

The ACCH board is announcing a comprehensive fundraising campaign (Building on a Legacy of Love Campaign) to remodel and open a second residential house, add appropriate residential and support staff, and provide for property insurance and transportation. This plan will double ACCH's current capacity and establish the foundation for achieving their long range goals.

# How You Can Help Children in Need

## The Need

Children find refuge at Alpha due to many circumstances, including past or ongoing abuse, homelessness, neglect, death in the family, delinquency, academic challenges, behavioral challenges resulting from broken or dysfunctional homes, poverty, family incarceration or mental illness, and substance abuse.

Alpha is literally rescuing and saving children from circumstances or choices that put them at great risk. Alpha nurtures 12 to 16 children at a time with unconditional love and care in an on-site residence, depending on the individual needs presented.

Your Mission Partnership enables children to come to Alpha to find the family and Savior that they need!

*\*\* Please remember Alpha as a resource for a child in your area who may need a place to go.*

**PRAY:** Keep Alpha's mission, missionary staff, children, volunteers, and supporters lifted in prayer to the Lord.

**VOLUNTEER:** Alpha has been built from its very beginnings by countless volunteers who have shared their skills to help build, maintain, and strengthen the Lord's ministry to children. *We welcome all volunteers, ranging from skilled professionals to energetic youth groups and loving senior saints.* Some of our friends volunteer here for a few hours while others work for a couple of weeks. You can find a list of construction-type projects that can be adopted on our website. If you have a desire to serve here, we will find ways that you can volunteer.

**DONATE:** Alpha is 100% privately funded and totally relies on financial support from compassionate churches, groups, & individuals to provide for the daily needs of each child. *There is no fee for those we serve.* You can make a difference in their lives with your donation!

**FOOD DRIVES:** We are always in need of collections of food and household supplies, as well as clothing for kids.

**HOLD A BENEFIT EVENT FOR ALPHA:** Examples are concerts, bowling tourneys, etc.

**HERITAGE GIVING:** *Remember Alpha Christian Children's Home in your Estate Plan. . .leave a legacy to continue to aid children in need.*

## The Mission

Alpha Christian Children's Home is a mission committed to rescuing children in need with unconditional love and the life-changing message of Jesus Christ. Children are provided a loving, Christian home, and an outstanding individual-based education through our on-site Christian school.

**CURRENT MISSION GOAL:** *To increase annual income to fund the monthly operating costs of a new second residence for serving more children at Alpha. \*\*As an example, one hundred new partners giving \$50 per month would be enough to complete the funding needed for this goal. Some can give more, and some less, but we know our goal is within reach.*

Will you consider helping to fund the new home for kids who need a safe haven?

*Join us in giving them a safe place to go!*
